Heather spoke to the Chamber in regard to the Scholarships the chamber gives to the Jefferson students. The Chamber always gives out \$2,000.00 in scholarships. We could do it in different amounts to give more scholarships out. The Committee will have to look at this for the year 2017

Jefferson Days

Ginger Whitehead gave a short report on the Jefferson Day event. She told the chamber that all the people involved with Jefferson Days and the Strawberry Festival. Everything went good. The only problem people who came the event stated that everyone was not involved all three days and people were confused who was doing what that day.

Nest year in planning the flier the chamber put in the Gazette should have times what all the other people involved are doing we just all need to be on the same page next year.

Everyone agreed this was the first years we have done it in years and it is a learning experience.

The total sales of the of the Fun Pack Give Away was about \$1700.00 dollars. This is excluding the 2\$2.00 toward the tickets the Girl Scouts Sold

The Carnival profit was about \$700.00. This does not include all the bills. We have not received all of them.

Chamber has to decide if we are going to have a Golf Outing
Tim made a personal contribution time restrictions prevent him from organizing. We will see how the raffle ticket sales go before deciding to hold the event or not.

The chamber has to remember the money we made for the Golf Outing want to Scholarships. If Chamber decides not to have a golf outing we have to think of another way to raise money for the Scholarships
