January 4, 2022

Chamber Members,

Thank You for being a part of our Community and for actively supporting the many Chamber sponsored events in the past, ensuring the success of our Jefferson Area Chamber of Commerce. 2021 continued to be a challenging year as residents and businesses have had to struggle with the COVID-19 pandemic that continues to be a part of our everyday lives. In light of the challenges the Chamber continued to be a strong supporter of the Community.

Jefferson Chamber had their first drive thru Easter Egg Hunt. Thank you, Jefferson Businesses that supported the event. Our Fairy Garden Festival was a great success this year and hopefully will continue to be in the future. We had a successful Golf Outing, we raised money for the Chamber and the Scholarship Fund. The Community Trick-or-Treat happened in October, along with the MANNA Food Drive in November, and the Country Christmas in December.

The events and activities the Jefferson Chamber put on helped bring the Community together and make a better place for the residents of the Jefferson area. The Jefferson Chamber is planning another great year with activities for everyone in the Community for 2022.

I would like to thank the Businesses and everyone involved with the Jefferson Area Chamber of Commerce.

Attached is the new Jefferson Chamber membership directory for the year 2022. I hope everyone enjoys the directory and reaches out to the members if they need any guidance.

*Sincerely, Patricia Ann Fisher  
President of the Jefferson Chamber*

### Mission Statement:

The Mission of the Jefferson Area Chamber of Commerce is to advance the commercial, industrial, professional, civic and general interests of the Jefferson Area. This organization will promote the Jefferson area as a good place to live, work and shop. To secure the active aid and cooperation of all citizens, merchants, manufacturers, professional people, real property owners, employers and employees in advancing the best interest of the Jefferson area. Jefferson Area Chamber of Commerce is an all-volunteer chamber. We serve the Jefferson Area to better our Community.

# Welcome to Jefferson, Ohio

— Ashtabula County —

Enjoy the historic, main street charm of Jefferson, Ohio. Jefferson has been the heart of and the county seat of Ashtabula County since 1807. Founded in 1803 by Post Master General Gideon Granger, the village has several historic buildings, including a beautiful courthouse built in 1836 and the Giddings Law Office, places where Congressman Joshua Giddings and Senator Benjamin Wade, leaders in the anti-slavery movement, once practiced law. Stop for a bite to eat in one of our local restaurants, shop our stores, visit museums or play a round of golf. Take a short drive to one of the many local wineries or one of the many covered bridges in the area. Winter, spring, summer or fall, there is always something going on in Jefferson. Join us throughout the year for our many festivities within the Jefferson area.

(See our calendar of events on page 6).

## Places of Interest

**COVERED BRIDGES** While visiting the historic courthouse in the center of Jefferson, be sure to stop by the Covered Bridge Festival office. Here you can find gifts of all kinds and pick up a self-guided driving tour map of the covered bridges in Ashtabula County. Four of the 18 covered bridges are located just a short drive away from Jefferson. Stop back the second full weekend in October to celebrate the fall foliage and the bridges at the annual Covered Bridge Festival. Visit [www.coveredbridgefestival.org](http://www.coveredbridgefestival.org) or call • 440-576-3769.

**JEFFERSON DEPOT** Walk back in time to when the settlers first came to the Jefferson area at the Jefferson Depot. The small, historic village features a restored train depot, an early general store, a one-room schoolhouse and a beautiful church. The village is open Sundays 1 to 4 pm from Memorial Day to Labor Day. Join us in the summertime for the annual Strawberry Festival. Visit [www.members.tripod.com/jeffersonhome](http://www.members.tripod.com/jeffersonhome).

**PERAMBULATOR MUSEUM** Visit the only perambulator museum in the world. Here you can find baby carriages of all shapes and sizes. The museum also hosts a spectacular collection of Victorian-era toys and dolls. The museum is open Wednesdays and Saturdays June through August and Saturdays only September through May. Visit [www.webspawner.com/users/carriage](http://www.webspawner.com/users/carriage) or call • 440-576-9588.

## Benefits to Members of Jefferson Area Chamber of Commerce

# Occupational Health Services

ACMC is committed to improving the health of our community. Providing occupational health services is one way we can positively impact the population most important to you — your employees.

Our goal is to collaborate with businesses to foster a safe and healthy work environment that reduces work-related injuries and lost-time incidents.

ACMC Occupational Health places a strong emphasis on communication — with the company and the injured employee. We will work closely with you to understand job functions and options for the injured worker to avoid a lost-time claim.

Whether a business has 10 employees or 1,000 employees, ACMC Occupational Health can work with you to create the right injury-care program.

We focus on cost-effective treatment that causes less interruption to daily operation, less employee downtime, less money spent on hiring temporary workers, and ultimately, less money spent on workers' compensation.

Our commitment to a timely return to work speeds healing and helps ensure a faster recovery for the injured worker.

A benefit to ACMC Occupational Health is our extensive network of providers, including primary and specialty care. If an injury needs referral to a specialist, your employee is likely to be able to see a specialist at ACMC rather than have to leave Ashtabula County.

## Services

- Injury care
- Drug testing
- Breath alcohol testing
- Post-offer physical exams
- Return-to-work physicals
- Job-specific criteria
- Audiometric testing
- Titmus vision testing
- Spirometry
- Fitness-for-duty testing
- Functional capacity evaluations
- BWC-certified providers
- Assistance with safe placement of workers following injury or illness
- Case management for work-related injuries
