Letter from the President

January 31, 2024

Chamber Members,

Thank You for being a part of our Community and for actively supporting the many Chamber sponsored events in the past, ensuring the success of our Jefferson Area Chamber of Commerce.

Jefferson Chamber had a fantastic Easter Egg Hunt. The football field was filled with children's smiles. Our Friday nights out was a huge success for the second year in a row. The Chamber hopes 2024 will be as successful as 2023. We had a successful Golf Outing, we raised money for the Chamber and the Scholarship Fund. We had our First Harvest Festival that coincided with the Community Trick-or-Treat in October. This brought many people into our Village to see what Jefferson has to offer. The MANNA Food Drive

in November, and the Country Christmas in December. 2023's Country Christmas the whole town was involved. The Candy Land Christmas the entire Community participating. It was our biggest parade ever. Thank you, Jefferson Businesses for supporting all the events.

The events and activities the Jefferson Chamber put on helped bring the Community together and make a better place for the residents of the Jefferson area. The Jefferson Chamber is planning another great year with activities for everyone in the Community for 2024.

I would like to thank the Businesses and everyone involved with the Jefferson Area Chamber of Commerce.

*Sincerely, Patricia Ann Fisher
President of the Jefferson Area Chamber of Commerce*

Mission Statement:

The Mission of the Jefferson Area Chamber of Commerce is to advance the commercial, industrial, professional, civic and general interests of the Jefferson Area. This organization will promote the Jefferson area as a good place to live, work and shop. To secure the active aid and cooperation of all citizens, merchants, manufacturers, professional people, real property owners, employers and employees in advancing the best interest of the Jefferson area. Jefferson Area Chamber of Commerce is an all-volunteer chamber. We serve the Jefferson Area to better our Community.

Welcome to *Jefferson, Ohio*

— Ashtabula County —

Enjoy the historic, main street
charm of Jefferson, Ohio.

Jefferson has been the heart of and the county
seat of Ashtabula County since 1807.

Founded in 1803 by Post Master
General Gideon Granger, the village has
several historic buildings, including a
beautiful courthouse built in 1836 and the
Giddings Law Office, places where
Congressman Joshua Giddings and Senator
Benjamin Wade, leaders in the anti-slavery
movement, once practiced law. Stop for a bite
to eat in one of our local restaurants, shop our
stores, visit museums or play a round of golf.

Take a short drive to one of the
many local wineries or one of the many
covered bridges in the area. Winter,
spring, summer or fall, there is always
something going on in Jefferson.

Join us throughout the year for our many
festivities within the Jefferson area.

(See our calendar of events on page 4).

Places of Interest

COVERED BRIDGES While visiting the historic courthouse in the center of Jefferson, be sure to stop by the Covered Bridge Festival office. Here you can find gifts of all kinds and pick up a self-guided driving tour map of the covered bridges in Ashtabula County. Four of the 18 covered bridges are located just a short drive away from Jefferson. Stop back the second full weekend in October to celebrate the fall foliage and the bridges at the annual Covered Bridge Festival. Visit www.coveredbridgefestival.org or call • 440-576-3769.

Occupational Health Services

ACMC is committed to improving the health of our community. Providing occupational health services is one way we can positively impact the population most important to you — your employees.

Our goal is to collaborate with businesses to foster a safe and healthy work environment that reduces work-related injuries and lost-time incidents.

ACMC Occupational Health places a strong emphasis on communication — with the company and the injured employee. We will work closely with you to understand job functions and options for the injured worker to avoid a lost-time claim.

Whether a business has 10 employees or 1,000 employees, ACMC Occupational Health can work with you to create the right injury-care program.

We focus on cost-effective treatment that causes less interruption to daily operation, less employee downtime, less money spent on hiring temporary workers, and ultimately, less money spent on workers' compensation.

Our commitment to a timely return to work speeds healing and helps ensure a faster recovery for the injured worker.

A benefit to ACMC Occupational Health is our extensive network of providers, including primary and specialty care. If an injury needs referral to a specialist, your employee is likely to be able to see a specialist at ACMC rather than have to leave Ashtabula County.

Services

- Injury care
- Drug testing
- Breath alcohol testing
- Post-offer physical exams
- Return-to-work physicals
- Job-specific criteria
- Audiometric testing
- Titmus vision testing
- Spirometry
- Fitness-for-duty testing
- Functional capacity evaluations
- BWC-certified providers
- Assistance with safe placement of workers following injury or illness
- Case management for work-related injuries
